MANDATORY JUDICIAL NOTICE OF DENIAL OF EIGHTH AMENDMENT  
 RIGHTS OF ROBERT ALEXANDER SIGOUIN AND PETITION FOR  
 IMMEDIATE RELEASE OF ROBERT ALEXANDER SIGOUIN.

Comes now Robert Sigouin a lawful man on the land  
 by (special appearance) not general. I am accusing FDC  
 Honolulu OF DENIAL OF EIGHTH AMENDMENT RIGHTS  
 OF ROBERT ALEXANDER SIGOUIN For the following reasons:  
 On MONDAY the 23rd of JAN, 2006 A.D. MR. SIGOUIN complained  
 of a very painful tooth soon on TUESDAY MORNING when  
 the pill line came he told the nurse about it insisted  
 it was very painful so he told MR SIGOUIN he would  
 report it immediately so MR. SIGOUIN gave him a  
 request form he had made to the dental department.  
 Later that morning during sick call he also made  
 his pain known to another attendant who told him

he would surely tell dental. Well meanwhile MR. SIGOUIN started to take 800MG. of IBUPROFEN that he purchased from the commissary his jaw started to swell so he told the evening nurse who took his temperature looked at his teeth acknowledged the serious damage and abscess told him he would make a special note to dental for WEDNESDAY morning. Well the pain was so bad SIGOUIN had to take 800MG of IBUPROFEN every 4 hours + still nothing from dental all day WEDNESDAY the swelling just got bigger. There's no way DENTAL at FDC Honolulu is so busy that they could not take the time to help this guy. ~~but~~

When ROBERT ALEXANDER SIGOUIN was arrested MAY 30th 2005 A.D. they examined his teeth and know how bad they were then so they could only get worse you see the policy here is they don't care for you until you are sentenced if you insist of your innocence like MR SIGOUIN you're out of luck. ROBERT ALEXANDER SIGOUIN has many, at least 20 fatty tumors on his body + several months back when a new one began forming he asked for a doctor when a doctor examined him he told SIGOUIN we won't cut that out when SIGOUIN said it worried him greatly and he had his own medical plan it would not cost the government anything he was still denied + told well maybe when you get sentenced which SIGOUIN does not plan to happen because he believes he's not guilty

but they keep postponing his trial he could die of cancer or blood poisoning or even some eye or brain damage from his teeth if you've ever had a tooth ache bad enough to cause a huge abscess in just one day you would know this is torture they are doing + falls under cruel + unusual punishment because of the terrible pain of the teeth + the great stress of the tumors it's pre-judice and completely against the 8th amendment to the constitution of the United States.

I demand IMMEDIATE RELEASE OF prisoner ROBERT ALEXANDER SIGOUIN its the law.

Signed under penalty of perjury  
before GOD and man.
